

FORCE SOCCER CAMP

Back for a 4th successful year!

August 8th – 11th, 2011 6:00 PM to 8:30 PM

J.C. William Soccer Complex, Weirton, WV

Since 2008, the Force Soccer Club has been providing the youth of our community with an opportunity to expand their soccer skills and knowledge by conducting the Force Soccer Camp. Meeting the needs of all ages and skill levels, the Force Soccer Camp is designed to provide a distinctively different learning environment. Utilizing coaching techniques from around the world, the participants will experience soccer in a new way. Making it a fun and educational week.

Force Soccer has been a part of the valley's soccer landscape for many years. Now we want to bring our coaching experience to every player in the Tri-State area. Current college and high school coaches holding national certifications and licenses will be coordinating the activities. Utilizing a player to coach ratio of 8:1, each player will receive dedicated and individualized training. You will not just line up and kick balls at this camp. You will receive proper instruction and continuous activity.

What to bring...

Each camper should bring a ball, shin guards, soccer shoes and water. If it looks like rain, bring something to stay dry.
